Unsolicited Submission Policy

Awe Luv, LLC ("**Awe Luv**") often receives unsolicited submissions by email and mail for our review of your business ideas, manuscripts or other material for Luvvie or Awe Luv to consider. We truly appreciate this interest in Awe Luv and want to thank each person who has taken the time and effort to get in touch with us.

Our policy, however, is that Awe Luv and its employees do not accept or consider unsolicited submissions of **any kind**. That includes, but is not limited to, ideas, suggestions, proposals, comments or materials, for new or improved products, services or technologies, processes, advertising campaigns, promotions, marketing plans or new product or service names (collectively, "Unsolicited Submissions"). Please do not send any Submissions in any form to Awe Luv or any of its employees.

We recognize that we do have engaged social media communities and we love that. This policy is not intended to stifle our fun conversation that takes place there. Keep it up!

We created this policy to avoid potential confusion around how we handle Unsolicited Submissions that land in our inboxes. If you choose to ignore this policy, you understand that we have no obligation at all to protect the Unsolicited Submissions (i.e., confidentiality, data privacy), or review, return or acknowledge receipt of any Unsolicited Submissions.

If you are interested in formally collaborating with Luvvie please see our [Contact Us page](#) for ways to work together. Luvvie, do you want to also address products that people may gift you? What is your stance there? Once we know, we can refine it.
